

My Family At The Beach

One day I went to the beach with my family  
We could see the ocean  
We could feel the sea breeze  
The sea breeze was windy and chilly  
We could smell the salty sea air  
We can smell sea air it smelled very salty and it smelt good  
We could taste the nasty salt water  
We could hear the oceans big powerful waves  
We went swimming in the ocean  
We went swimming in the pools  
Our cats are at home  
We like the beach
