

“The People who die for us”

Oh, the people that dies for us
Oh, the people that dies for us
You fight for our freedom
You serve our country
Just so we can live
If it weren't for you we wouldn't be here
Oh, the people that dies for us
Oh the people that dies for us
Thank you! Thank you!
For serving our country
Oh, you fight for our freedom
Oh, you fight for our freedom
Thank you! Thank you!
For serving our country
Oh, you do a wonderful job
At defending our country
Thank you! Thank you!
For serving our country!
